ANNUAL REPORT TO THE IOWA CONFERENCE—1915.

September 1st, 1915.

DEAR FATHERS AND BRETHREN:—

As representing Iowa Wesleyan College, we greet you in the name of the Lord Jesus, and, with deepest gratitude acknowledge the goodness of God and the loyalty of the Iowa Conference, both preachers and laymen to our educational interests. The college has had the best year of its history, and to have come through a time of such unparalleled war, with such depression in large business, with 396 students enrolled, with a new pipe organ installed and paid for, \$4,000 of our bonded indebtedness paid, the permanent endowment income increased \$700, and the fine spirit of devotion manifest among both students and faculty, is surely worth a Hallelujah.

That the facts may be easily available for all our Conference members, let me report in detail the salient items of the annual budget. The principal items of expenditure and income are as follows:

EXPENDITURES.		RECEIPTS.	
Faculty	\$17,000	Conference collection	
Fuel and Light	1,300	(estimated)	\$13,500
Janitors	800	Tuition and Fees	9,000
Museum	250	Endowment interest	9,200
Insurance	250	Rent	215
Paving	575	Sustaining fund	1,700
Laboratories	550		
Library, Lecture			\$33,615
Course, etc.	2,000		
Postage, stationery and			
offices	700		
Bulletins and Adver-			
tising	575		
Repairs	300		
Retiring Bond	4,000		
Interests on bonds	3,000		
Miscellaneous	2,000		
	<hr/>		
	\$33,500		

This is exclusive of Music, Art, Commercial and Domestic Science, which are special.

The budget as shown is meager, even when understood that the receipts and expenses of the Art Department and the School of Music are not included in the total, but no added expense is possible to it with the present outlook.

We report the productive endowment in houses, lands, stocks, bonds and mortgages,—not including properties and money on annuity amounting to \$55,000,—as \$218,000. That sum is barely sufficient for incidentals in these days of generous equipment and endowment. For the actual college work we are and have been dependent upon the tuitions and the annual benefaction of this Conference. Under these circumstances your serious consideration is asked to the proposal for union of the two institutions made by Parsons College to the Iowa Conference and Iowa Wesleyan yesterday.

The grateful thanks of the Conference and College are due to Hugh A. Cole, '82, president of the Board of Trustees, for his quick appreciation of the opportunity to obtain a surpassingly fine organ from the St. James church, Chicago, at nominal cost, and the loyal women who gathered and retained the Organ Fund (Mrs. H. T. Bird, president, Mrs. Belle Leach, Secretary, and Miss Mary Snyder, Treasurer), and the generous friends who furnished the added sum necessary to install the organ free of debt. Let us also make mention of St. James church, Chicago, and its pastor, Reverend Charles B. Mitchell, D. D. Let me remind the Conference of the gift by bequest from the late J. C. W. Coxe, of precious memory among us, of \$500 to the college endowment.

The tenderest sympathy and prayers of our faculty and trustees is given to Dean and Mrs. E. E. Lymer in the loss of their lovely daughter, Professor Ethel Lymer, Head of the Department of French language and literature. My personal debt for confidence and co-operation to Dr. T. J. Myers, Dr. C. L. Tennant, District Superintendent, and Dr. Thomas Osborn, Mt. Pleasant pastor, increases with each passing year, and is again thus publicly acknowledged.

Respectfully submitted,

E. A. SCHELL, President.

IOWA CONFERENCE AND THE TRUSTEES OF IOWA WESLEYAN COLLEGE,
DES MOINES CONFERENCE AND THE TRUSTEES OF SIMPSON COLLEGE.

Greetings:--

Appreciating the moral and educational earnestness of Iowa Wesleyan College, and Simpson College, and it appearing that there is a distinct field in this section of Iowa for only one college, and believing that hearty co-operation between Methodists and Presbyterians will serve to advance the common Kingdom of our

Lord, and further, in the words of a distinguished Methodist educator, believing "that an institution supported by the Methodists and Presbyterians, which represents the modern 'get-together-movement' of federation among churches and which reduces the number of colleges and puts in Southeastern Iowa a very strong institution, is a movement in the right direction," and the Board of Trustees of Parsons College invite the Iowa Methodist Conference and the Board of Trustees of Iowa Wesleyan College, the Des Moines Conference and the Board of Trustees of Simpson College to appoint a committee of five members, already appointed from Parsons College, to consider a union of the institutions. To facilitate the operations of the joint committee, the following suggestions are placed before you:

1st.—The United College shall be known as "Iowa Union College" (Parsons-Wesleyan-Simpson Foundation), to be located as may be deemed most advantageous.

2nd.—The Board shall be self-perpetuating as to 60 per cent. of its membership, and the members of the initial Board shall be divided among the Colleges giving 25 per cent. each to Wesleyan and Simpson and 50 per cent. to Parsons. The remaining 40 per cent. shall be apportioned to the Conference of the Methodist Episcopal Church and to the Synod of Iowa of the Presbyterian Church, as locations and general conditions seem to warrant.

3rd.—The title of all real estate and all notes, bonds, mortgages, and all other papers now belonging to the separate Colleges, shall be administered by the united Board of Trustees.

4th.—Should the union college be located at either Fairfield, Mt. Pleasant or Indianola, there shall be maintained, as long as the Board deems it wise to do so, first class Preparatory Schools at other locations.

It is understood that this committee from Parsons College Board shall have authority to confer with a committee from either or both of said conferences, and that final action on all matters shall remain with the respective Boards in session.

Your committee in the case of Brother Russell beg leave to report that we find nothing in his actions that discredits his Christian character. We find him considerably, though not hopelessly, involved in debt, and are convinced he should exercise greater care in assuming financial obligations having a tendency to jeopardize his ministry and despoil him of his largest influence. However, we believe that misfortune and uncontrollable circumstances are to be credited as responsible for the major portion of his financial embarrassment. We further believe that Brother Russell will under normal conditions in due time discharge all of his obligations to the satisfaction of his creditors, but urge that the utmost attention and promptness be exercised to maintain the high honor and ideals of a Methodist minister.

DISTRICT SUPERINTENDENTS' REPORTS

BURLINGTON DISTRICT.

Bishop and Brethren:

In bringing this, my fifth annual report to you, it is with rejoicing in the evident blessings of God in his work through the year.

CHANGES IN PASTORS—The charges were manned as planned at the last conference, except, Forest Wertz did not come as a supply to Newport, but Ermil B. Frye was secured in his place. L. C. Garner, another supply, who was appointed to Donnellson, served for nine months and resigned. F. P. Frye was transferred from Kahoka, Mo. conference and stationed at Donnellson. Lloyd Tennant, who was appointed at Danville, having received on the 1st of July the Deputy Wardenship of the state penitentiary at Ft. Madison, was relieved of the pastor and pulpit work and the pulpit has been filled by a number of brethren of the conference.

DEATH—has only entered one of our homes during the year. Miss Ethel Lymer, daughter of Dean and Mrs. E. E. Lymer, died August 16th, after an illness of about twenty months. A more extended notice of her life and character has already been rendered in the memorial service.

BUILDING AND IMPROVEMENTS—The building projects started a year ago have been completed and new ones have been entered upon. Yarmouth church was completed and rededicated on November 29th by the District Superintendent assisted by the pastor and C. B. Hankins. The necessary funds were raised to meet all liabilities. The entire cost was about \$3,500.00.

Early in the year the pastor and people of Eureka church, Wayland charge, launched the remodeling of that church, raising at that time \$1000.00. It was completed and dedicated by Dr. Schell on June 13th, after \$700 the necessary funds were raised.

New London church, which was in process of erection at last conference was completed and dedicated on July 26th by Dr. Parr, of Kokomo, Ind. This property cost about \$24,000 for which sufficient subscriptions were taken. This gives this people one of the finest plants in the conference. Too much credit cannot be given to the pastor, since I believe that on parsonage and church he saved the charge nearly \$5,000 by supervising the work himself.

Fairfield Circuit, which has never had a parsonage, through the leadership of the pastor and an active committee secured a very comfortable home for the pastor at a cost of \$3,100, all of which has been raised.

Batavia church fitted up the basement for social purposes at an expense of \$350.

Birmingham spent \$39.00 on papering and painting the parsonage.

Burlington First Church built for the pastor a fine garage costing \$450. Burlington Grace spent \$550 on a church furnace.

Bishop and Brethren:

In bringing this, my fifth annual report, to you it is with rejoicing in the evident blessings of God in his work through the year.

Burlington Circuit—At Shiloh a new piano was purchased costing \$200. Spring Grove re-roofed their church at a cost of \$90 and \$60 has been spent on grading the parsonage lot.

Danville put in a new furnace at the parsonage, papered it and repaired the sewer at an entire cost of \$145.

Fairfield First Church expended \$122 on new windows for the church and some work on the parsonage.

Ft. Madison First Church put a new lighting plant in the church, purchased chairs and repaired the parsonage costing in all \$160.

Santa Fe Avenue church with the help of the \$400 granted from the church extension society, has reduced their indebtedness \$2,005 and has on hand at the present time about \$500 to farther reduce the debt. This church expects immediately after conference to meet the conditions of the church extension society and secure a loan of \$6,000 from said society.

Hillsboro has raised over \$1,000 in subscription to move the church over near the parsonage, put in a basement and make other improvements on the church building.

Kingston raised about \$400 on the church debt.

Keokuk reduced her indebtedness \$2,000. This church during the year received an inheritance of \$5,000 from the Mrs. Helen Comstock estate. The money is to be loaned and the interest thereon is to be used to pay insurance, and for evangelistic work.

The Libertyville church completed the annex costing about \$1,000.

Mediapolis spent \$100 in improvements on the church.

The pastor at Morning Sun raised \$1,400 eliminating an old church debt.

Mt. Pleasant First Church reduced her debt \$1,500.

Mt. Pleasant Circuit at Beulah and Wesley new lighting plants were put in costing in all about \$94.

Trenton Church on Mt. Pleasant West has in subscriptions something near \$1,200 for remodeling the church.

Mt. Sterling Church re-arranged pulpit and choir platform and painted the inside of the church costing in all \$257. This charge spent \$15 in parsonage improvements.

Mt. Union church completed her improvements giving the church two additional rooms and a fine basement costing in all \$1,750.

Montrose Circuit made a \$30 improvement on the parsonage and spent \$20 on the lighting plant. New Boston on this charge purchased a new bell, painted the church and got a new carpet at an entire cost of \$106.

Salem built a new barn on the parsonage lot costing \$150.

Stockport charge expended \$45 on parsonage improvements. The Stockport church built a new Epworth League room, fitted up the basement, put in some new windows and painted the church, costing in all \$1,900. Union church on this charge built a vestibule, painted, papered and put in a new carpet at an expense of \$185.

Wayland Church put in new electric lighting in church and parsonage at a cost of \$168.

Finley church purchased a new piano at a cost of \$200.

West Point church repapered and purchased new carpet at a cost of \$125.

Winfield spent \$400 remodeling the parsonage and putting in a new furnace.

CHURCH ORGANIZATIONS—Our Sabrath Schools have shown a marked growth. Never in all my life of Sabbath School relation have I known so much of enthusiasm in Sabbath School work. However, we need in many places more efficient officers and teachers. The Epworth Leagues in many of our churches have taken on new life and are at present doing very efficient work. In some places the pastors seem to take too little personal interest in some it seems

to be an indifference of the parents as to whether their young people are lined up with definite Christian work and in other places the lack of leadership among the young people.

The Ladies' Aid continues to be a real force in many of the smaller church in making possible the meeting of expenses and in all of the churches where the Aid is organized we are assured of strong backing for better things.

The Woman's Home and Woman's Foreign Missionary Societies seem to be getting an increasingly strong hold on the hearts of the women and I might add on the pocket books of their men.

The field agents of our different interests have been at work during the year and their reports will show the degree of their success.

The opposition to the saloon continues to grow in all our land and I believe that no force has contributed so much to this opposition as the spirit of the Christian people as expressed in a united way through the Anti-Saloon League. Brother C. S. Cooper continues to battle straight ahead in the interests of temperance.

The permanent fund under the leadership of Brother J. C. Kendrick has been a growing one. We have now raised \$65,000 and there is no question but that we should raise our objective point to \$100,000.

The College has had another good year and I believe it has grown more positive on the minds and hearts of the people than in any preceding year since I have been connected with the conference. While I think we have given more constructive work to the college than formerly, yet we should not relax our efforts. Since talking on the college will determine not only the success of our school but will have an influence in leading our young people to decide their college training. Dr. Schell and the preachers in the main have been constant in effort for both money and students, and we have only begun the work that must be done if we are to secure what the Lord would evidently have us do for our school. The excessive rains and belated harvests will cut down our income for the college, but many of our charges will meet the fifty cents per member in full and we hope the charges failing will do better another year.

OUR BENEVOLENCES will be something near the same as last year. We have not had the increase for which we had hoped.

REVIVALS—This has been another year of intense earnestness in revival work. Pastors and Laymen alike have been zealous in this direction. The Laymen's Gospel Team movement has greatly aided in stirring up the laity generally to see that soul winning is as much their work as the pastors. I expect that when all reports are in that we will more than have gained our 675 in net addition to the church.

I rejoice in the abundant grace of God that comes to us when we set ourselves to do His will.

Respectfully submitted,

C. L. TENNANT.

MUSCATINE DISTRICT.

Bishop Stuntz and the Members of the Iowa Conference,

Dear Brothers:—Shortly after the close of the Conference, last fall, we found that M. D. Winter, appointed as a supply to Koszta, could not, on account of the arrangement of his school work in the university, serve the charge and that Milersburg, which had been placed with Guernsey, could give no assurance of support for a pastor. We released Brother Winter from Koszta, attached Guernsey to Koszta and secured Rev. C. E. Burdine as resident pastor of Koszta and Guernsey, the pastor residing at Koszta. The arrangement and pastorate has been a most happy one.

HEALTH—The health of the pastors has 'een unusually good. Rev. Thos. Rowe was in a serious condition for some weeks but, after taking a course of treatment at the Iowa Methodist Hospital, and a short rest, he is much improved and, we trust, on the way to complete recovery.

FINANCES—The New Financial Plan has worked well where it has been given a fair trial. Occasionally charges misunderstand or seemed to have been possessed with the idea that, if the plan were really good, it would work out their problem but they are learning that even a good plan must be worked to bring beneficial results. There is a gratifying advance in the business methods employed by the Church.

Exclusive of the amounts paid by the Webster and Guernsey Charges, which were annexed to the District last fall, there has been an advance in the salaries of the pastors of \$1,075.

Much of the territory of the District was hard pressed, financially, by the drastic quarantine on account of the hoof and mouth disease among the cattle, but we do not believe that the record of the District will need any apology.

BENEVOLENCES—The reports of the pastors will show some advance in the amounts contributed for the Benevolences, but it is a fact that there are many Methodists who do not give anything to the "Various benevolent enterprises of the Church." Steps will be taken to try to remedy this. The support of the college will not be as large as it should be, but we are sure that the special emphasis given to college interests has been most beneficial and friends are being won for the Institution.

BUILDING AND IMPROVEMENTS.—New Churches are in course of erection at West Chester and Marengo, and will be ready for dedication early in the Conference year. The cost of the West Chester church will be a little more than \$8,000 and that of the Marengo church between \$25,000 and \$30,000. Each will be ample for the needs of their congregation and Pastors Seeds and Monkman are to be congratulated for the splendid service they are rendering their people in the consummation of these enterprises. Complete notice is reserved for the next conference.

Early in the spring the debt on the Webster Church was provided for and, on June 6th, the church was dedicated. Dr J. H. Cudlipp, pastor of First church, Ottumwa, was present and won all the people preaching two unusually strong and helpful sermons. The Rev. J. H. Koch is the pastor.

The church at North Liberty, Tiffin Charge, Rev. J. H. Krenmyre pastor, has been remodeled, a basement, new furnace, electric lights and other improvements added at a cost of \$2,000 fully provided for. It was dedicated June 27th.

Park Ave. church, on the Muscatine North Charge, has a new basement costing \$800 and other improvements have been made amounting to \$100. Rev. A. H. Barker is the pastor. Kalona, under the leadership of Rev. C. E. Baumgarten, pastor, has expended \$550 in finishing the church basement and installing electric lights in the church and parsonage. Moscow, on the Sweetland Charge, Rev. J. J. Pritchard pastor, has a new basement costing \$1,300 and other improvements have been made on the Charge to the extent of \$100. Rev. G. A. Osborne has the satisfaction of seeing the fine parsonage, built under his pastorate, fully completed during this year and Victor now has a fine modern home for their pastor. The amount expended this year for furnace, bath room, equipment and finishing is \$550. The parsonage at Williamsburg has been improved and a bath room added at a cost of \$500. The Rev. N. A. Swickard is pastor. Yankee Point, on the North English Charge, Rev. J. P. Hehner, pastor, has raised money for a new church basement and furnace and North English has paid \$600 on a church debt. Oakville, Rev. W. H. Cannon, pastor, has two new pianos on the charge and Oakville has paid about \$200 on their church debt. Aside from these, Lexington has expended \$310, Ladora \$120, Letts \$350, Grandview has a new barn, and many other good works have been done which space forbids that we here record.

CONFERENCES AND CONVENTIONS—Two helpful sessions of the District Conference were held, the first in Musserville Church, on Oct. 26-27 and the second at Cone, on May 31st-June 1st. Dr. J. O. Randall, secretary of the Commission on Evangelism, was present and spoke at Musserville and remained in the District for Eganelistic Rallies at Washington, Wellman and Marengo. His services were very profitable to us.

More than one hundred and eighty delegates registered at the District Epworth League Convention which was held in First church, Muscatine, and it was a most enthusiastic and helpful Convention.

CHURCH SOCIETIES—The Sunday Schools are constantly growing in numbers and, I think, doing more efficient work as the interest increases. The Epworth League is decidedly on the advance. The Junior Leagues have doubled in number but this important department of our church is difficult to work on account of the fact that it is almost impossible to secure suitable persons who will consent to act as superintendents. The Ladies Aid Society leads in efficiency and the Woman's Home and Woman's Foreign Missionary Societies have each made some gains. A number of Gospel Teams have been active and have been a power in the salvation of souls.

EVANGELISM—God has wonderfully manifested His power to save and it has been clearly demonstrated that the revival, sometimes referred to as a former method of effective evangelism, is not, by any means out of date. More than seventeen hundred conversions have been reported but, since a number of union meetings were held it is difficult to determine how many should be credited to the work of the Methodist church.

Unless there are an unusual unnumber marked removed without letter there will be a net increase in membership in the District of more than six hundred.

It may not be out of place to express a hope that the next General Conference will rectify the evident blunder of the last General Conference, in regard to the non-resident members. It is surely to be hoped that the Methodist Church has no disposition to report as non-resident members those who have been removed without let-

ter, many of whom have long since ceased to be members of any church, and yet, as the discipline reads, that is what we are plainly directed to do.

Plans are fully made to bring the entire district into line with the Methodist Forward Movement.

With a sincere appreciation of the universal kindness and co-operation of both the pastors and Laymen of the District and gratitude to our Heavenly Father for His mercy and grace, I am,

Your Brother in Christ,

H. F. GILBERT.

OSKALOOSA DISTRICT.

Bishop Stuntz and Brethren:

Under the gracious favor of Almighty God I am permitted to present this report as superintendent.

When I received this appointment, a year ago, I found the work in most excellent condition. My predecessor, Dr. C. L. Stafford, deserves great praise for the high standard of efficiency to which he had led the district. We trust that the record for this year will show that we have not toiled in vain though we could wish for much larger results.

During the year our Heavenly Father has watched over my pastors and myself and our families with tender care. The Angel of Death has not visited any of us and the heavy hand of severe affliction has been laid upon but few. God has been good indeed to us for which we are devoutly thankful.

CHANGES OF PASTORS—Changes contemplated by Bishop Shepard and the cabinet a year ago were effected immediately after the adjournment of conference; and J. M. McClelland was transferred to Manhattan, Kansas; W. H. Perdew was appointed to Oskaloosa; and Frank E. Day, of White Temple, St. Joseph, Mo., was placed in charge at Newton. George A. Osborn was appointed to supply Sully instead of Cedar, and Horace Clements, a student, acceptably served the Cedar Circuit until in November when I secured a resident pastor in the person of Clement Davies, since which time Brother Clements has preached at Givin. Late in September W. A. O'Dell was transferred to Upper Iowa Conference and J. D. O'Dell was given charge of Knoxville Circuit.

Early in the conference year, C. E. Burdine was released from Fremont to take work in the Muscatine district, and Fremont was cared for by students until the first of January when I was fortunate in securing the services of Hugh Neville for that charge.

These four men, George Osborn, Horace Clements, Hugh Neville and Clement Davies, have been doing excellent work and if the reports from their examinations are satisfactory, I will ask that they be admitted to the conference on trial.

The people of the Martinsburg-Ollie charge began early in the year to have difficulty because of the personal finances of their pastor, E. M. Vance, and the conditions became so serious that in April I removed him from his appointment. In May I placed H. R. Husted in charge, but in a few weeks he left without a word of explanation to me. Since that time the Gospel Teams of Pekin and

Ollie have been caring for the religious services of the circuit, but no report of finances will be given to the conference.

The Gospel Teams of the district have helped me greatly in caring for needy and neglected churches.

MINISTERIAL SUPPORT—Ministerial Support was increased for this year on a few of the charges. Taking the pastor's salary as a basis, the increase was as follows: Tracey, \$30; Kellogg, Malcom, Reasnor and Rose Hill, each \$50; Brooklyn, Ewart, Montezuma and Pella, each \$100; Thornburg, \$125; Deep River, \$250, and Newton, \$400. Some of the charges will report a deficit, but the percentage of deficiency will not be as large as heretofore. We are insisting on the adoption of the New Financial Plan wherever practicable, and a number of the charges are introducing it.

DISTRICT CONFERENCES—Two well attended and helpful sessions of the District Conference were held, the first at Bussey in October, the second at Barnes City in May, at which the interests of the College, the Permanent Fund, the Hospital, and the Anti-Saloon League, as well as those of the regular benevolences of the church, church were presented. Our pastors are in hearty sympathy with these various causes and our pulpits are open to their representatives. We gladly commend that member of our own district, Dr. W. P. Stoddard, in his work, and rejoice that the authorities of the Iowa Methodist Hospital request his re-appointment as one of their Field Secretaries. At the spring session we unanimously adopted the Methodist Forward Movement program.

BUILDINGS AND IMPROVEMENTS—The three churches, Newton, Brooklyn, and Sheridan on the Sonora work, mentioned in the report of Dr. Stafford a year ago, as having been begun, have now been completed. Newton builded wisely and well, a commodious and beautiful structure, dedicated on January 31st by Bishop Quayle. Since then the trustees have purchased for a parsonage the dwelling near the new church building on the east. This plant, worth fully \$86,000, shows the leadership in faith and activity of Drs. Perdew and Day. On February 21st, Dr. E. A. Schell, president of Wesleyan, dedicated our splendid house of worship at Brooklyn. Our property value there is now \$40,000 and is the result of the able guidance of F. C. Edwards. On May 2nd, Dr. Schell dedicated the Sheridan church on the Sonora Charge, a countyr church costing \$10,500, a monument to the faith and perseverance of Pastor O. E. McBride and his loyal people.

Mt. Zion, on the Killduff charge; Tools Chapel, on the Reasnor charge; Thornburg and Ollie, are each beginning a new \$5,000 building. Tracey has a new parsonage, built at a cost of \$2,500.

Other improvements and repairs, with cost, may be recorded:

Attica, new barn and henhouse, \$250; Barnes City, repairs and new cistern, \$160; Beacon, electric lights, \$70; Marysville, on the Bussey work, lighting plant, \$50; Deep River, parsonage and church repairs, \$267; Delta, new church steps, parsonage and papering, \$258; Ewart, remodeled parsonage and church repairs at Ewart and Searsboro, \$390; Fremont, renovating church and parsonage and new church steps, \$150; Grinnell, painting and repairs, \$500; Durham, on the Harvey charge, repairs, \$150; Hedrick, church and parsonage improvements, \$700, new piano, \$175; Kellogg, church and parsonage, \$50; Killduff, parsonage, \$60, Grace Chapel new basement, \$700; Pleasant View, new basement, \$2,000; Knoxville, new church basement, \$1300, and plans for expending \$2000 in remodeling the parsonage; Eden on the Knoxville Circuit, basement and heating plant

\$400; Bethel on Lynnvill work, repairs, \$200; Malcom, new church walks and windows, \$275; Montezuma, parsonage repainted, \$75; Reasnor, new parsonage walks and henhouse, \$60; Sigourney heating plant and other improvements, \$400; Madison, on Sonora work, papering, \$75; What Cheer, repairs, \$100.

OUR COLLEGE—The campaign for Wesleyan was interesting and successful. Thirty of the pastors of the district were present at the district educational rally and banquet at Oskaloosa in November. Bishop Shepard, Drs. E. A. Schell, J. W. Hancher, T. J. Myers and Mr. Hugh A. Cole were the chief speakers and much enthusiasm was awakened. President Schell has perached for us at Oskaloosa, Grinnell, Newton and Delta. Our pastors and people are loyal to our school and its president; and the collections will show a marked increase over last year, a number of the charges reaching 50c per member.

BENEVOLENCES—The most of the pastors have been faithful to the benevolent causes of the church and though many of our people have been discouraged early in the year because of the foot and mouth disease and later because of the excessive rains and floods, their offerings will amount to as much or more than last year.

SOCIETIES—There are 89 Sunday Schools in the district. We have employed Miss Elizabeth Dean of Newton, as District Efficiency Secretary for Sunday School and Young Peoples' work for the coming year. Thus we seek to take better care of the church of tomorrow.

There are 30 chapters of the Senior Epworth League; the present cabinet will seek to organize new ones until we have at least one chapter in every charge. The Junior League is weak, but we hope to strengthen it, being convinced that there is a place and work for it among us. The League Convention was held at Oskaloosa on June 23-25 and proved a great inspiration.

The Ladies Aid Societies are becoming more and more an aid to the church and pastor. They aid not only the finances but also the social and spiritual life of the people.

The interest in prayer and class meetings has grown this year, partly if not largely due to the work of the Gospel Teams. Lay-Evangelism is being emphasized and hundreds of conversions have resulted from the work of the various Gospel Teams of the district.

THE WORKERS—In my pastors I have a corps of able leaders with large vision, deep devotion and unhesitating self-sacrifice. However, in the work of the Kingdom, the leaders are not all pastors. Many wise and efficient ones are among the laymen. God bless them. Laymen, generous-hearted, broad-minded, spirit-filled, not one a whit behind the pastors in their ability and service.

SPIRITUAL CONDITION—A revival spirit has prevailed during the whole year over the greater part of the district. Some pastors have been assisted by evangelists. Charles Goff and party held a series of meetings at Sigourney in March with 230 conversions. He also held one at Montezuma in June with over 300 conversions and reclamations. Joe Hanley had large results in a union meeting at Grinnell. Other charges blessed with gracious revivals with marked results, conducted by evangelists, pastors, and Gospel Teams are: Beacon, Bussey, Cedar, Delta, Eddyville, Harvey, Hedrick, Lynnvill, Martinsburg-Ollie, Newton, Reasnor, Sully Thornburg, Tracey, and What Cheer. There is a conscious deepening of the spiritual life throughout the district.

STATISTICS—From the charges reporting to me I give the following figures:

Number of persons professing conversion.....	2774
Number received on probation.....	1289
Number net increase in membership.....	1091
Number of pastoral calls made.....	11886
Amount of money paid in or subscribed on improvements and repairs	\$156,949

Grateful to God for the opportunity of service; grateful to the pastors and their families for their devotion to the cause, for their co-operation and fellowship; and grateful to the church for its loyalty and sacrifice,

I respectfully submit this report,

G.L.MINEAR.

OTTUMWA DISTRICT.

Bishop Stuntz and Brethren:

SUPPLIES—Two charges were left last Conference to be supplied, viz., the Bloomfield Circuit and Jerome. We secured for the former brother C. H. Boos, a local preacher from Ames and for the latter brother Geo. L. Roper, a local preacher from the Missouri Conference. Both have done acceptable work and are recommended to this Conference for admission on trial.

CHANGES—Soon after the session of last Conference, brother F. A. Smith was transferred from Cantril to the Upper Iowa Conference and brother W. I. N. Densmore was transferred from that Conference to Cantril. I am informed that brother Smith has had a good year and am glad to report that Brother Densmore has been happy in his new field at Cantril.

IMPROVEMENT AND DEBT PAYING—Our people have been aggressive in the care and improvement of their properties. The Centerville church leads with an improvement which will represent an outlay of Five thousand dollars. Richland, Moulton and Ottumwa Willard Street have each expended from twelve to fifteen hundred dollars on improvements and additions. Bloomfield has expended on improvements and remodeling organ, \$3,100. Douds, Packwood and Unionville have each improved or paid on old debts to the amount of four hundreds dollars or over. Blakesburg, Eldon and Iconium have made repairs amounting to Two Hundred each. Cincinnati, Exline, Jerome, Kirkville, Lovilia, Milton, Moravia, Mystic and Ottumwa Main Street have each expended from twenty to one hundred and fifty dollars on improvements a total of more than fifteen thousand dollars.

CONFERENCES, CONVENTIONS, ETC.—We have had two good sessions of the District Conference. The fall meeting was held in Moravia and the spring gathering in Drakesville. Both sessions were well entertained and profitable.

The Woman's Foreign Missionary Society held their convention in Keosauqua, April 16-18 and the Woman's Home Missionary Society met in Milton, April 23-25. Both were very successful conventions.

Our District Epworth League held their convention in Albia, June 23-25 which was one of the best conventions of the year.

Sunday School Institutes were held by our State Superintendent, The Rev. O. G. Orcutt, in Albia, Keosauqua and Bloomfield. Brother Orcutt had planned a number of Sunday School Rallies but his plans were broken up by the serious illness of his child. Though disappointed in not having the rallies we are thankful for the recovery of the child, Charles McCabe.

MONETARY AFFAIRS—We have had, in some respects, the most difficult year of the four I have served the district. Business depression has greatly effected our work in the coal mining regions. Excessive rains have destroyed much of our small grain and many of our farmers along the Des Moines river as well as those farming flat and untiled land, have lost the larger portion of their corn crop. This means that both salaries and benevolences will suffer some loss. The charges which have used the New Financial Plan will show little, if any, decrease. We will feel the depression most where the old and unfair method is used, where the charge leaves two-thirds of the salary to be paid in the last thirty days and the preacher defers his benevolent collections to the latter part of the year.

OUR PERMANENT FUND—We have had a good year in the District in the interests of the Conference Permanent Fund. Brother Kendrick has made many friends for the cause and has enlisted the sympathy of both old and young. I hope this Conference will join the Forward Movement of the Church and put on an intensive campaign to round out the coming year with One Hundred Thousand dollars in the endowment fund.

OUR COLLEGE—Iowa Wesleyan never had more loyal and active friends in the District than it has today. I do not know what our collection for the College will be, but I do know that our pastors have stood by the Institution to the man. We held a College Rally in Ottumwa First Church, April 12th. All but four or five of the pastors of the District were present as well as a number of our laymen. Bishop Shepard was with us; also Dr. J. W. Hancher and President E. A. Schell. Dr. Schell has assisted in three or four of the charges and the pastors have exchanged pulpits in the interests of the fifty cents per member movement. I am told that we will have a goodly number from this district in the Freshman class this year. If more of our laymen will think of this institution as their own enterprise and will send their children here rather than send them to Sears and Roebuck, our success is assured.

SORROW—Soon after Conference last fall, Sister Decker was taken to the Methodist Hospital in Des Moines with the hope that a surgical operation might restore her health. She never, however, regained strength for the operation but passed peacefully to her reward Oct. 25th. The next day, Oct. 26th, death came to the parsonage in Moulton and carried away to Glory Mrs. Raney, mother of Sister J. W. Pool.

Early in July, Mrs. I. P. Teeter, wife of the late Rev. I. P. Teeter, passed to her reward. Suitable obituaries will appear in the minutes.

Mrs. C. R. Young, wife of our pastor at Troy, has been ill part of the year but is now recovering. She spent some weeks in our hospital in Des Moines and seems to have been greatly benefitted by the treatment.

STATE OF THE CHURCH—The church is pretty well organized in all its departments. The Sunday School is gaining in average attendance and effectiveness. The Epworth Leagues are doing some good work. Our Junior Leagues are far too few. Many prayer

meetings and a number of class meetings are maintained. The church is trying to meet the multiplied problems which confront it for solution. We are endeavoring to serve our day and generation, but we all need more of Christ and His passion for the salvation of the people. We need more of the personal effort and a deeper definite experience of our own salvation. Shall we not seek the Lord for all of His fullness and anointing that we may have strength to do the thing to which He calls us. We expect to join in the Forward Movement and already have a number of Co-operating Centers.

This has been a blessed year in His work and my own heart is glad for all of the mercies He has given me. I have a special reason, as some of you know, for thanking God for the preservation of my life. I thank the Brethren and their families and the churches for their uniform kindness and hospitality.

Respectfully submitted,

E. J. SHOOK.

**REPORT OF FINANCIAL SECRETARY OF THE CONFERENCE

Dear Brethren:—

RESOLUTIONS—PERMANENT FUND.

Whereas the present year of 1915 is Jubilee year for the Permanent Fund of the Methodist Episcopal Church;

And whereas the amount possible for distribution in the Iowa Conference is far too small to adequately provide for the comfort of those who have a claim upon this Fund;

And whereas the amount of our Permanent Fund is now Sixty Thousand Dollars,

Therefore, be it resolved, first, That we do in harmony with the Resolutions adopted by the Lay Electoral Conference set \$100,000 as our goal, to be reached before the session of our Conference in 1916.

And that we do plan to assist our Agent, Rev. J. C. Kendrick in reaching this goal, by an intensive campaign in each District, intended to awaken interest among all of our people;

Second, That we ask for a Committee of five Ministers and five Laymen from each District, to be selected at the Fall Sessions of the District Conferences, who shall assist Rev. J. C. Kendrick, by helping to plan and carry out the work of reaching this \$100,000 goal before the close of the conference year.

A. B. HIGHTSHOE.

CONFERENCE RELATIONS.

Your committee on Conference Relations recommends that I. O. Kemble and W. G. Thorn be granted the retired relation;

That R. C. Russell be granted the supernumerary relation.

That the Conference request Bishop Stuntz to appoint Lloyd Tennant deputy warden of the state penitentiary at Fort Madison.

**REPORT OF THE ANNUAL CONFERENCE BOARD OF EDUCATION
AND THE CONFERENCE COMMITTEE ON EDUCATION
COVERING THE PROPOSITION FROM
PARSONS COLLEGE.**

The Parsons College proposition to Iowa Wesleyan College and

Iowa Conference and to Simpson College and Des Moines Conference is as follows:

"Iowa Conference and the Trustees of Iowa Wesleyan College, Des Moines Conference and the Trustees of Simpson College,

Greetings:—

"Appreciating the moral and educational earnestness of Iowa Wesleyan College, and of Simpson College, and it appearing that there is a distinct field in this section of Iowa for only one College, and believing that hearty co-operation between Methodists and Presbyterians will serve to advance the common Kingdom of our Lord, and further, in the words of a distinguished Methodist educator, believing 'that an institution supported by the Methodists and Presbyterians, which represents the modern get-together-movement of federation among churches and which reduces the number of colleges and puts in southeastern Iowa a very strong institution, is a movement in the right direction,' the Board of Trustees of Parsons College invite the Iowa Methodist Conference and the Board of Trustees of Iowa Wesleyan College, the Des Moines Conference, and the Board of Trustees of Simpson College to appoint a committee of five members, already appointed, from Parsons College, to consider a union of the Institutions. To facilitate the operations of the joint committee, the following suggestions are placed before you:

"1st. The United College shall be known as

'IOWA UNION COLLEGE'

(Parsons-Wesleyan-Simpson Foundation)

to be located as may be deemed most advantageous.

"2d. The Board shall be self perpetuating as to 60 per cent of its membership, and the members of the initial Board shall be divided among the College, giving 25 per cent each to Wesleyan and Simpson and 50 per cent to Parsons. The remaining 40 per cent shall be proportioned to the Conference of the Methodist Episcopal Church and to the Synod of Iowa of the Presbyterian Church, as locations and general conditions seem to warrant.

"3d. The title of all real estate and all notes, bonds, mortgages, and all other papers now belonging to the separate colleges, shall be administered by the united Board of Trustees.

"4th. Should the union college be located at either Fairfield, Mt. Pleasant, or Indianola, there shall be maintained, as long as the Board deems it wise to do so, first class Preparatory Schools at other locations.

"It is understood that this committee from Parsons College Board shall have authority to confer with a committee from either or both said conferences, and that final action on all matters shall remain with the respective Boards in session."

We respectfully recommend that the committee of five called for by the Parsons College proposition be raised by Iowa Conference to meet like committee appointed by the other two interests or, in the failure of Des Moines Conference to appoint such committee, to meet the committee appointed by Parsons College.

We suggest that our committee study the whole question and all the questions involved in the Parsons College proposition and report their finding to the next Board of Trustees of Iowa Wesleyan College. We further suggest that when the said report shall have

been made to the Trustees that body take such action as may seem wise to it and report to the next session of the Iowa Conference.

The committee of five shall also report its findings to this body at its next session.

We are of the further opinion that before any action with reference to the Parsons proposition shall become final, it shall have the approval of both the Board of Trustees of Iowa Wesleyan College and of Iowa Conference and the Board of Education of the Methodist Episcopal Church.

We respectfully recommend the appointment of the following committee: President of Iowa Wesleyan College, C. L. Tennant, U. S. Smith, Hugh Cole and H. M. Havner.

This committee shall have the power to fill any vacancies in its membership occurring between sessions of the Conference.

Your committee to whom was recommended the question of our approval and support of University pastors at our two Iowa state institutions beg leave to report:

(1) That we favor the continuance of these pastors, and indorse the proposal to renew our contribution of two (2) cents per member for the ensuing year, to be collected as hitherto.

(2) That with our inadequate methods for collecting such funds we find it impossible, without seeming to increase the number of collections, to continue our support as a conference beyond the coming year.

(3) That in order to properly co-ordinate the work of the University pastor we express the opinion that these pastors ought to be definitely related both for their support and responsibility to the conferences in which the institutions are located.

Respectfully submitted,

H. B. SCOLES,
For Joint Committee.

REPORT OF COMMITTEE ON EDUCATION.

We, your committee on education, report as follows:

1 Board of Education.

1. The co-operation of our Board of Education with our schools in standardizing curricula, faculties, plants, equipment and endowment has been eminently helpful.

2. Its action at its recent annual meeting authorizing a Director of Religious Work for our institutions of learning is especially commendable.

3. Its thorough and far-reaching "Survey" of educational conditions throughout the country now in progress, promises much for the Board's coming semi-centennial forward movement.

4. The Children's Day Collection, which has aided from the beginning 22,984 students—2,189 last year, and this year 2,288—continues increasingly helpful and efficient.

5. We commend and approve the apportionment by the General Conference Commission on Finance of the One Public Educational Collection authorized by the Discipline, 80 per cent at the order of the Conference and 20 per cent for the Board of Education.

(The special arrangement for settlement with the Board of Edu-

cation on the flat rate agreement extant for this quarennium is in full force and effect for the ensuing year.)

II Iowa Wesleyan College.

We congratulate the College and the Conference on the fine response by the charges, to the resolution adopted by the Conference last year looking to the special emphasis to be placed on the Educational collection. The reports to the Treasurer show fine increases in all the Districts and the amount from the entire collection is in excess of \$11,000.00.

We recommend the continuance of the plan adopted last year with its apportionment of fifty cents per member and its forward movement meetings in all the Districts.

We urge the placing of this sum in all the benevolent budgets.

We recommend the election of T. J. Myers, J. W. Neasham and H. M. Havner as trustees to succeed themselves. We recommend the election of Chris. Haw to succeed J. E. Peterson, resigned.

We recommend as visitors to Iowa Wesleyan College: Class of 1916, C. B. Hankins; 1917, Mrs. L. G. Murphy; 1918. A. B. Hightshoe.

III Theological Schools.

We appericiate the fine quality of work done by our Theological Schools and commend them to the young men of the Conference with the recommendation that wherever possible they attend some one of these schools after the completion of the regular Liberal Art courses.

Communications from each of the Theological Schools indicate the prosperity of these institutions, and increasing provision made for the needs of students.

We congratulate the Methodism of the great Central west upon the strategic location of Garrett Biblical Institute, and its newly accorded place on the University campus, and upon the unusual administrative ability shown by its President, Charles M. Stuart, LL. D. The new arrangement for four quarters of study each year, thereby shortening the calendar period required for the courses, the fine adjustment secured both for college and non-college men, the evangelistic attitude of students and faculty and the newly elected members of the teaching force, Professors Hough and Rall should commend the Institute to all our young men who give themselves to the work of the ministry. We urge that no one consider himself fully prepared for the exacting pastoral requirements of the present day until he has had the training of some one of our Theological schools.

REPORT OF COMMITTEE ON EARLY JOURNALS.

Whereas the conference journals for the first ten years of the conference were never published, nor was the journal of the year 1857; and

Whereas these records exist only in single copies and in written form; and

Whereas our publishing agents have a proposition, with figures, for the publication of these journals, those of the first ten years to be bound i none volumn and that of 1857 in separate volumn, for the sume of \$220.00 for 200 copies of each;

Therefore your committee to whom thi smatter was referred re-

comemnd that we authorize our publishing agents to secure the publication of these important records in the number indicated above.

We further recommend that the cost of the publication of these Records be apportioned to the several pastoral charges of the conference on the basis of the cash salary of the pastor, that one copy of each be sent to these charges and that the remainder be sold at \$1.00 for the larger and 15 cents for the smaller, the monies from such sales to be placed in the treasury of the Conference Publishing Board.

The above report was amended authorizing the publication of 300 copies.

EVANGELISM.

Realizing that the mission of Christ is the mission also of his Church—to seek and to save the lost—therefore, be it Resolved:

1. That we give ourselves to earnest prayer and supplication that God may grant unto us the outpouring of His spirit in a great Pentecostal blessing, that his kingdom may be extended among men.

2. That we most heartily endorse the call of Bishop Henderson and the Commission on Evangelism for a Methodist Forward Movement this year, and pledge our best efforts for its consummation.

3. That we rejoice in the increased activity of the laymen in evangelism, as evidenced by the Gospel Teams, and urge that wherever practicable, this movement be organized in every charge.

4. That we renew our endorsement of the Win-My-Chum program and urge its obesrvance in all our churches.

5. That we call the attention of all our Sunday School workers to the obligation and wonderful opportunity of child evangelism, and urge greater activity tehrein.

Respectfully submitted,

COMMITTEE.

MISSIONS.

Feeling that the time has come for all of our forces to be united in the great forward movement in the spread of the Gospel, and that from the home base we must furnish both means and men. We most heartily join in the slogan of the Board of Home Missions and Church Extension, "America for Christ."

The urgent needs of the hour challenge the whole Church of God to its most earnest faith and devotion, in helping the teeming multitudes yet in darkness, to see that "the light of the world is Jesus."

The ravages of war are laying waste some of the most fertile fields and many are the calls for help.

Never in the history of our Church was there suchg reat opportunities to carry on God's work in all parts of the world as today.

We most earnestly commend the spread of the "World Outlook" and feel it is a child of necessity, born in due time, and that it will prove a great blessing to the Church.

REPORT OF VISITORS AND COMMITTEE ON IOWA METHODIST HOSPITAL.

Your Committee visited the Iowa Methodist Hospital, and beg leave to submit the following report:

Our Hospital deserves the ready and full support of the churches of our Conference. In fifteen years more than 25,000 patients have entered this hospital. It has a staff of thirty-six physicians and surgeons. The increase of patients this year over last is six hundred. The excess of free patients over the previous year is seventy-five.

Fifty-nine thousand days treatment were given to all patients during the past year. Twenty per cent of the patients were beneficiaries. The income from patients has shown an increase, but the

conditions arising from the war has made the item of expense embarrassing. A low cost, however, of two dollars per diem per capita has been maintained. The treatment of crippled and deformed children has reached out into all parts of the state. These cases, averaging twelve per day, were almost all treated without pay. The hospital offers its facilities to pastors, their wives and the deaconesses, as guests of the church.

We desire to commend Rev. W. P. Stoddard for his devotion to the interests of the hospital and request that Bishop Stuntz reappoint him as Corresponding Secretary of the Iowa Methodist Hospital. We nominate the three following as directors for 1915-1916: C. L. Stafford, J. M. Brown, W. H. Perdew.

As visitors, the pastors at Newton and Brooklyn.

J. F. ROBERTSON, Secretary.

MEMORIAL.

The Iowa Conference of the Methodist Episcopal Church respectfully memorializes the forthcoming General Conference to make a careful study of the present methods of the administration of our Home Mission Funds throughout the United States and to enact such legislation as will secure a more efficient administration of these funds.

STATE OF COUNTRY.

Your committee, to which was referred the communication of the Iowa Peace Society, submits the following for adoption:

1. We are in full sympathy with the object of the Iowa Peace Society and hail its advent as an expresseion of that deep undercurrent in American opinion which warratns the hope we indulge that our country shall avoid the horrors of war.

2. We further express it as our deep conviction that Christian statesmanship ought to discover a means of settlement for international dispute without resort to arms between and among civilized nations, and we feel that more than a century of peace with the land form which we wrested our independent national existence, with thousands of miles of unfortified frontier between us and her greatest colony, suggests the way.

3. We are thankful to the God of nations that thus far He has led us safely in our international relations and we commend the firm, dignified, and yet withal, Christian stand taken by President Woodrow Wilson in the preservation of strict neutrality in the present tragedy of world war, as well as his patriotic and manifest determination to conserve the rights of America and American citizens imperiled in the tension of international bitterness and passion, and we note with satisfaction the unity of all Americans in support of our Chief Executive.

4. We felicitate the country on the happy issue of a serious international dispute with one of the belligerent powers and trust that similar conclusions may be reached in other and as pressing claims for relief from interference with American rights by other nations.

TEMPERANCE COMMITTEE'S REPORT.

We desire to record our high appreciation of the good work done for the temperance cause, by our Iowa General Assembly in session last winter.

First, in the advance legislation greatly strengthening the law enforcement provisions of our statutes.

Second, in the repeal of the Mulct law to be effective January 1st, 1916; closing every wholesale house with the breweries, distilleries and saloons, in our commonwealth. This takes the saloons out of politics, closing them, we trust, forever.

Third, greatly strengthening the repeal of the Mulct law by passing the joint resolution submitting to a vote of the people such an amendment to our state constitution as shall make our Iowa permanently saloonless. Which joint resolution if passed by the next General Assembly, will be submitted at a specified time, to the voters for their adoption or rejection.

Fourth, passing the joint resolution submitted by the preceding General Assembly, granting to our women equal rights and privileges at the ballot box as our men.

The June Primary.

The Primary election to be held next June will be of the utmost importance to the cause of temperance in Iowa. The vote will then be cast not only to decide equal suffrage, but the voters of all political parties will select their candidates for the various state and county offices, to be voted upon at the following November election. Supreme importance attaches to the selection of candidates for Governor, Lieutenant Governor, Attorney General and members of the General Assembly.

The situation places the cause of prohibition in very grave peril. The next move for submission of the constitutional amend-

ment must come through the next General Assembly. They must pass by constitutional majority the same joint resolution passed by the preceding assembly and fix the time for the vote on the same. It is purely a matter of legislation. Should the temperance people fail to nominate and elect enough men to pass the joint resolution, our cause is lost. We are therefore determined to support no candidate for these places of honor and trust, who is not committed to the submission of the constitutional amendment. If any candidate will not trust the people with this issue, the people should not trust him.

The work of the Anti-Saloon League, deserves much praise. In the legislature it is most helpful in securing enactment of wholesome temperance laws and in defeating proposed measures favoring the liquor interests. It secures many valuable decisions from the Supreme Court, greatly aiding the cause of temperance. It has defeated the circulation of mulct petitions in many counties and towns of our state. It is indispensable everywhere in stimulating public sentiment for law enforcement. In the fight for constitutional amendment, we look for it to lead the temperance forces to victory.

We have greatly enjoyed the visit and address of the Rev. H. C. McCain, Assistant Secretary of the Methodist Temperance Society and cordially invite him to be with us again.

We re-affirm our endorsement of the American Anti-Saloon League and heartily approve its leadership in the fight for state and national prohibition. We will gladly open our pulpits once a year to its accredited representatives, that our people may learn of the progress of the work and help to hasten its success.

We hereby nomination C. L. Stafford and C. L. Tennant to represent us on the Board of Trustees of the Iowa Anti-Saloon League.

**DELEGATS' REPORT ON THE 16TH NATIONAL CONVENTION OF
THE AMERICAN ANTI-SALOON LEAGUE HELD JULY
6-9, 1915, AT ATLANTIC CITY, N. J.**

Convention was held there by invitation of the Atlantic City Publication Bureau. The sessions of the convention were held upon what is known as "Young's Million Dollar Pier." The President, Bishop Luther B. Wilson and other national characters presided. The Pier is an ideal place for such gatherings. It is eighty or more feet wide, and extends out into the Atlantic Ocean for about one-half mile. The entire pier had been leased for the great occasion. Its four auditoriums will sat 25,000 persons at one time. The additional space was given over to temperance exhibits and displays setting forth in a most striking manner the truth as to the relation to alcohol to industrial efficiency, accidents, education, crime, pauperism, degradation, race-degeneration, and general economic conditions. There were near five thousand registered delegates, and more than six thousand registered visitors, representing all parts of the country. The regular daily attendance reached from 12,000 to 16,000 people. On "Pennsylvania Day" the attendance ran up to 20,000.

During the three sessions each day, elaborate programs were

rendered in each auditorium by some of the greatest platform talent in America or in other countries, among them such men as Governor Carlson of Colorado, Patterson of Tennessee, Governors of other States, Congressmen, United States Senators, Judges of Courts, Ministers, Lawyers, and such other noted orators as Clinton B. Howard, Richard P. Hobson, John G. Wooley, Louis Albert Banks, Matt Hughes and Clarence True Wilson. There were also large delegations of business men representing great industrial interests, representatives of labor unions, large delegations from the Catholic Prohibition League of America, crowds of working people and many other representatives too numerous to mention here.

This immense gathering of the hosts represented all political parties, churches and temperance forces of America, with our island possessions.

They seemed all of one mind, bent upon securing such amendments to our Federal Constitution as shall speedily bring about the complete abolition of the beverage liquor traffic.

Among other things of vital importance, they declared with firm resolve against all compromise with the liquor interests, feeling certain that the people of this land have millions for a war of extermination, but not a penny for compensation of the liquor traffic, nay, let us rather compel the traffic to duly compensate the thousands of our American homes for the loss of husbands, sons and daughters ruined, remembering also the millions paid out by the states in caring for the saloon output.

We present the following declaration for your endorsement and adoption, "There may be an honest difference of opinion of the question of national prohibition, but there can be no honest difference of opinion as to the ministerial duty of Congress to submit the joint resolution to the states for action under their constitutional prerogative; let it be clearly understood that the Anti-Saloon people do not ask party or candidate to declare for national prohibition, but they do insist that every candidate for Congress and the United States Senate and for President shall declare for the principle of referring this important question to the states, in harmony with our Constitutional provisions. If they are afraid to trust the people of the several states, the people should be afraid to trust them."

Our Methodist Bishop Wilson was re-elected President of the American Anti-Saloon League. And by general consent, the Anti-Saloon League is the accepted leader of the host.

Respectfully submitted,

C. S. COOPER,
W. H. NEIL
Delegates.

TOBACCO.

Whereas, the Tobacco habit is a growing menace to the public welfare, second only to the drink habit,

Therefore, Resolved, first, that as pastors we will give special teaching against this growing evil;

Second, that the cabinet be requested to appoint a standing committee on this subject.

RESOLUTIONS OF OSKALOOSA DISTRICT CONFERENCE.

To the Iowa Conference of the Methodist Episcopal Church, in Session at Centerville, Iowa:

Dear Fathers and Brethren:

The following resolution was passed by the Oskaloosa District Conference, held at Barnes City, Iowa, May 26, 1915:

Whereas, at the last session of the Iowa Conference there was passed a resolution asking the General Conference for an enabling act providing for the consolidation of the Iowa with the Des Moines Conference, and believing this to be an unwise move, therefore, be it

Resolved, that we, as members of the Oskaloosa District Conference, ask that the Resolution thus passed be recalled, and that it be not sent to the General Conference.

H. C. MILLICE, Secretary.

GEORGE MINEAR, President.

Passed at Barnes City, Iowa, May 26, 1915.

PRIVILEGES AND RESOLUTIONS.

Appreciation.

Your Committee on Privileges and Resolutions, submit the following report, including matters referred to it by the Conference:

Resolved, First: We record our grateful appreciation of the presidency of Bishop Homer C. Stuntz at this session of our Conference. We shall esteem it an honor to be the first conference in the United States over which he has presided. His morning expositions of God's word, his wholesome counsel in his message to the class for admission into full membership in the conference, and his fearless sounding forth of the evangelistic note in his great expository sermon of Sunday morning, are memorable events which we are sure will tell in fruitfulness in the year upon which we are about to enter. We also bear witness to his kindly and brotherly spirit and assure him that we shall always welcome him as our overseer.

Second: We appreciate the hospitality the Centerville Church and the attentive kindness of its pastor, Rev. J. A. Glendenning.

Third: We thank the officers of our conference for their efficient and painstaking service, rendered at such great cost of time and labor to us. Our secretarial force, recording and statistical, and our treasurer, as well as our post master, have placed us under great obligation.

Inasmuch as the one hundredth anniversary of the death of Bishop Francis Asbury, the St. Paul of American Methodism, falls within the time of the next conference year, or on March 31, 1916, we recommend that this conference join our world wide Methodism in a proper observance of this notable centennial.

We recommend:

1. That the committee on program for the annual conference of 1916, be requested to provide for the suitable observance of the Centennial of the death of Bishop Asbury, and that one evening be devoted to this end.

2. That each pastor be requested to arrange a service for Sunday, March 26th, or Sunday, April 2, dates suitably near the actual anniversary, which shall honor our first bishop who devoted his life to "travelling through connection," and that he preach a ser-

mon designed to call to the mind of prosperous Methodists today, how great was the investment of endeavor and devotion, privation and sacrifice, made by the preachers and members of the first half century of American Methodism.

3. That we seek to secure a wide circulation of our literature relating to the men and events of that period, that the appreciation and gratitude of Methodists of the Twentieth Century may be evoked for the fathers of the 18th century.

4. That as a conference we favor the erection of a bronze equestrian statue of Bishop Asbury in the city of Washington, to be paid for from the voluntary contributions of American Methodist churches.

Mormonism.

Whereas, the Mormon institution is a polygamous kingdom set up in this Republic, under the rule of a false prophet who holds that his authority is superior to the civil powers;

And Whereas, the National Reform Association of Pittsburgh has inaugurated a nation-wide movement against the evils of the Mormon system, and has offered to the country the following platform and program:

The Platform:

We insist that all churches have equal rights in this country.

We insist that the Mormon church shall have no more privileges than any other church in this country.

We insist that the temporal Mormon Kingdom shall cease to exist in this country.

The Program:

1. A constitutional amendment to forbid polygamy and polygamous living.

2. A proceeding by the department of justice to force an accounting of the property which was restored to the Mormon Kingdom in trust; and a proceeding to dissolve the Mormon Kingdom property trusteeship as a combination in restraint of trade.

3. An order by the postoffice department withholding the privileges of the mail from the Mormon Kingdom and its responsible officials so long as they teach the crime of polygamy.

4. A refusal by each house of congress to seat any man who pays political allegiance to the Mormon Kingdom or is elected by its power.

5. A refusal by the president to appoint any man to any federal office who pays political allegiance to the Mormon Kingdom.

6. Political opposition by all Christian patriots to any candidate who is known to an ally of the Mormon Kingdom in politics or who will not pledge himself to this program.

And Whereas, in the proposed platform and program there is no war upon religion nor is there any denominational conflict; nor is there any invasion of civil right, nor is there any attack upon innocence,

Now, Therefore, be it resolved that this Conference does hereby endorse the platform and program above recited and does urge the people and the government of this Christian nation to adopt such lawful and Christian measures as shall bring to a speedy and merciful end the offenses of the Mormon system.

Short Chautauquas.

While we recognize the desirableness of high grade programs presenting wholesome lectures and entertainments, and also that

many so-called "Short Chautauquas" are performing a genuine service in this regard, we nevertheless deprecate the fact that many managers present some attractions on the Sabbath day, wholly inappropriate for God's Holy Day,

THEREFORE, RESOLVED:

1. We call on the management of our summer circuit and independent Chautauquas to set a high standard for each week day and to avoid calling to the platform men like Governor Vardaman of Mississippi, who inflame race prejudice and oppose the program of all the churches for the uplift of the American negro.

2. We demand that the programs presented on the Sabbath shall be appropriate to that day of holy convocation;

3. We urge our people to make known to local committees the desire of our church in this matter.

ARTICLES OF INCORPORATION.

Whereas, the Articles of Incorporation of this Conference were adopted in 1874 and since the adoption of said Articles of Incorporation, the conditions of said Conference have substantially changed and there has been established a Permanent Fund, the administration of which now forms an important duty of the conference and the same is not adequately provided for by the Articles of Incorporation, and,

Whereas, the time for which the Corporation may endure is now drawing to a close, and it is deemed more satisfactory to adopt new and substituted articles of incorporation than to amend those now in force, and at this time to extend the time of the duration of said Corporation for the full period provided by law,

Therefore, Be it Resolved, that the following Articles of Incorporation be completed by inserting in Section 6 of Article IV, the names of the members of the Board of Stewards and Trustees elected at this Conference, whose terms will expire in 1918, and that as so completed, the following Articles of Incorporation be and they are hereby adopted as the Articles of Incorporation of this Conference, and that said Articles of Incorporation as so adopted be and they are an amendment to and a substitute for all of the Articles of Incorporation and Amendments thereto, heretofore existing in and for the Iowa Annual Conference of the Methodist Episcopal Church.

Be it further Resolved, that J. C. Kendrick, A. B. Hightshoe, B. G. Hankins, J. W. Pool, E. A. Bentzinger, members of this Conference be and they are hereby authorized and directed to execute said Articles of Incorporation, acknowledge the same, and procure the same to be recorded, and to do all other acts and things necessary and proper to put the same in full force and effect from and after the date of their filing as the Articles of Incorporation of this Conference.

XII

MEMOIRS

MRS. REBECCA ANN TEETER.

Mrs. Rebecca Ann Teeter, wife of the Rev. I. P. Teeter, was born in West Virginia, July 25, 1831, and died at the family residence in Ottumwa, July 7, 1915, at the age of 83 years, eleven months and twelve days.

She was united in marriage to Rev. I. P. Teeter October 25, 1849, and to this union were born six children, three of whom died in infancy. Mary, a lovely daughter, a graduate of Iowa Wesleyan College and the wife of a Mr. Thompson, died June 14, 1878, and her remains sleep beside those of her father in Ottumwa cemetery.

A son, Joseph, died some twenty years ago and was buried in Missouri. Frank, the only surviving child, resides in Ottumwa. After the death of her husband, which occurred in New Sharon, March 6, 1900, Mrs. Teeter made her home with her son. In addition to her son, six grandchildren and three greatgrand-children, survive her. Her husband was a minister in the Iowa conference of the M. E. church for forty-seven years. He filled several of the most important charges in his conference and was twice appointed to the office of presiding elder. During all these years of ministerial service Mrs. Teeter was his devoted companion. It is seldom that two lives are more closely united than was theirs. Her husband preceded her by fifteen years. He fell without a moment's warning like a soldier on the battlefield. She gradually approached the end and without a pain, fell asleep and was not—for God had taken her.

MRS. CORNELIA DECKER.

Cornelia, daughter of Jacob and Amy Zimmerman, was born in Fulton county, Pennsylvania, on March 28, 1873. At the age of fourteen she gave her heart to Christ and united with the Rehoboth Methodist Episcopal Church on the Hancock Circuit of the Baltimore conference where she labored faithfully until her marriage on February 26, 1896, with J. S. Decker who was then following the profession of teaching.

In the spring of 1897 she came with her husband to Iowa and they went to housekeeping at Packwood from where, in the fall of 1898, they went to their first charge under appointment by Rev. D. C. Smith then Presiding Elder of the Ottumwa District.

Her husband had persistently resisted the call of God to preach the Gospel until by her consecrated christian life and the influence of her gentle persuasion he was led to yield to the call, and from that day till the day of her translation she proved herself a sympathetic and efficient helpmeet in her husband's chosen calling. Her uppermost desire in life seemed always to be that she might be instrumental in leading people to her Savior, which she was successful in doing above the average christian.

She never possessed a rugged constitution and her conception of her duties to her home and the Church led her often to go far beyond her strength in the performance of them, which fact led to much suffering that was always borne with patience and

christian fortitude. Many a time when the company of her husband would have been a great comfort to her in sickness and loneliness she sent him forth to the performance of his duties to the Church.

She was deeply interested in all the work of the Church, and so far as strength would permit active to a greater or less degree in all the societies of the Church, especially in the Missionary and Young People's organizations.

Besides the bereaved husband and little daughter, Helen Arlene, there remain to mourn her departure three brothers, four sisters and a multitude of friends, who had learned to love her and who held her in high esteem. One of the things of most comfort to the bereaved is a letter written before she was taken to the hospital, in which, in addition to giving minute instructions for her funeral, she said, "The Lord never has forsaken me and I know he will be with me through this the severest of trials. It has always been the desire of my heart to give the best to the Lord. You have all been so kind to me in my sickness. I have written these lines without a fear of death or a tear of regret. I would rather get strong again and work longer for God and the Church, but if it is His will I am ready to go, although it is hard to leave a parsonage home and dear relatives. Dear husband and sister, don't grieve for me, take good care of dear little Helen Arlene. Goodbye to all. Meet me in Heaven."

Her last illness was of about eight week's duration. After all that local skill could do had been done, she was taken to the Iowa Methodist Hospital at Des Moines, but it proved useless, she gradually grew worse and in the early morning of the 24th of October, 1914, she sweetly and peacefully fell asleep in Jesus to wake again in His likeness on the shores of eternity, for which her whole earthly life had been a preparation. Heaven will be richer, but the parsonage home sorely misses her efficient guiding hand.

Funeral services were held in the Methodist Church at Moravia, at one o'clock p. m. Tuesday, October 27th, conducted by Rev. E. J. Shook, district superintendent of Ottumwa, assisted by the following brethren: Rev. Nye of Avery, Rev. Cadwell of Albia, Rev. Cudlipp of Ottumwa, Rev. D. C. Smith of Ottumwa, Rev. H. N. Smith of New London, and Rev. Coggeshall of Lone Tree. Interment was made in the Moravia cemetery. Rev. Glendinning of Centerville, read the burial service at the grave.

The floral offerings were many and beautiful and were borne before the casket from the home to the Church by the fifteen members of the King's Herald Band which Sister Decker had been instrumental in organizing since moving to Moravia.

Dear heart, "thy race is run, thy warfare's past, the victory's won, and thou art crowned at last."

ETHEL LYMER.

Ethel Lymer was born at Essex, Iowa, August 25, 1886, and died at Bay View, Michigan, August 16, 1915. She went with her parents to the Black Hills at the age of two living there eleven years. At the age of seven she was clearly converted and united with the Methodist Episcopal church. She attended the Academy of Black Hills College and also Morningside College. In 1904 Dr. Lymer was called to Iowa Wesleyan and Ethel at once entered the college. She

was already far advanced in her music and entering the conservatory at the same time worked for and was awarded her degree of Mus. B. in 1905, and in 1909 she took her degree Ph. B., and at the same time her degree from the German College.

She paid especial attention and took her greatest interest in her music and in the languages. She took post graduate work in German and French and spent the summer of 1912 at the University of Michigan. She was elected to the faculty of Iowa Wesleyan in 1911 as associate professor to Dr. Leist, who had the chair of German, and was still a member of the faculty at the time of her death, having been granted a two years' absence on account of her failing health. Aside from her college work there was much demand made on her to which she cheerfully gave of her strength and ability.

She was unusually equipped for an accompanist and was always in demand. For three years she was the pianist of the Epworth League, for three years she was pianist for the Methodist church before the installation of the pipe organ, and for four years she went out with the Wesleyan Men's Glee Club as accompanist. She was a devout member of the Methodist church and at the time she had to give up her work she was teaching a class of college freshman girls in the Sunday School. Such was the busy, the happy, the splendid life she was living when disease aild hold upon her.

From the time until her death it was a brave but vain struggle for life. For two years she suffered as few can realize. For weeks at a time, day and night, her suffering was pitiable then there would be surcease and hopes of recovery only to be followed by other tedious and body racking periods of pain and torture. Everything was done for her that money and affection could suggest. With a devotion that was sublime her parents stood between her and everything that could hurt or discouragé. She was taken to Excelsior Springs, but that did no good. She was taken to the Mayo Bros., the great surgeons of Rochester, Minn., and they could do nothing. She was there for six weeks under observation and at the end of that time the surgeons admitted that they were baffled in their diagnosis and could only call her disease a "puzzle." Then followed eight weeks at Battle Creek, Mich., and the same results, physicians puzzled and perplexed, hope deferred, suffering, but always courageous battling. From Battle Creek she was brought home and then unexpectedly she seemed to gain and really did gain. She finally was able to get from her bed, and then out of her room and when spring came along she was able to sit out on the front porch and see life again, and greet friends and take part simply in some of the household activities. And when Commencement rolled around she was taken out in her invalid's chair and was able to go to the exercises and was wheeled out over the beautiful campus where she had spent the happiest years of her life, and where she met the old college friends, and was very happy, and her home was very happy as it seemed that at last the tide of battle was turning in her favor and that much of promise was in the near future.

After Commencement wash was anxious to go to Bay View and for the first time in two years she had strength enough, with slight assistance to get on the cars by her own efforts. She stood the trip very well and continued to gain right along. She attended many of the entertainments at Bay View and was freer from pain than for a long time, and gaining in strength and courage.

How inadequate, how limited are the spoken or the written words,

on an occasion like this. What studiously chosen words, what well rounded phrases, what rhetorical efforts can portray a word picture of a life and character like the life and character of Ethel Lymer. She was a beautiful girl, but beautiful is inadequate to express the charm of her personality; she was friendly, affectionate, devoted, and yet how weak are these words to describe those elements of nature and disposition which won and held friendships everywhere she was known; she was cultured and refined and yet how poor an analysis of that charming and delicate aura of good breeding that enveloped her like a mantle; she was educated and accomplished, and yet how little these generous words measure up to the real accomplished work of her busy and well ordered life; and her influence in the communities in which she lived and moved—but place the finger on the pulse of public sympathy and general sorrow and bereavement will be felt. Her relations with the college and college life, with fellow members of the faculty, with the student body, were of the happiest and no false barrier of creed, social status or fraternity ties could take her out of that truly great and real fraternal sphere in which she lived and labored and found her happiness. Into the home life we dare not venture. The family circle is now broken, for the first time a minor note is sounding in the music about the fireside, how sweet, how affectionate, how devoted, how mutually solicitous and sacrificing they were one to another is so well known by those who knew the family. Each gave to the others all that could be given and we may well believe that each realized about as full a measure of human happiness as is permitted an earthly home.

The services were simple and in harmony with the life and desires of the family. Dr. Osborn, pastor of the First Methodist church; President Schell of Iowa Wesleyan, and Dr. T. J. Myers, an old and dear friend, spoke. There was no sermon but messages of love and sympathy and encouragement and of hope, messages from the heart and which echoed the feelings of the community.

Resolved, That we extend to the Methodist churches, and the citizens of Fairfield, our hearty thanks of the members of this Lay Conference.

Resolved, That we extend to the Trustees of the Fairfield Public Library our hearty thanks for the kindness we have received from them in opening to our conference their library.

Resolved, That we endorse the resolutions of the General Conference of 1908 upon Temperance, and the Prohibition of the liquor traffic, and urge upon the laymen of the church the necessity of active, aggressive, work in assisting in dealing the "Liquor Traffic the sin of all villainies" its death blow, in the state of Iowa.

Resolved, That we endorse the action of the "Anti-Saloon League" in the state of Iowa in the matter of law enforcement and endorse their action as an effective means in the eradication of the saloon and its attendant evils in the State of Iowa.

Resolved, That we congratulate the Iowa Conference upon the fact that the saloon has been driven from all cities and communities within her boundaries, except the cities of Oskaloosa, Keokuk

and Burlington, and, resolved that we pledge our earnest efforts to the temperance workers of these cities toward the eradication of the saloons from their borders and make possible the statement, "A Saloonless Iowa Conference."

Whereas: All our churches are demanding a ministry called of God, approved of men, and especially qualified by natural gift and thorough training to successfully carry forward the work of the church, and for such services adequate support must be provided, sufficient to keep in comfort, educate their families, and provide for old age, and

Whereas: The average salary paid in this conference is much below this standard and is much less than that paid to professional men or to mechanics who have made special preparation for their work,

We therefore appeal to our churches and the official boards throughout the conference to make more liberal provision for their pastors.

Education: The educational interests in our conference for a generation past have been difficult and perplexing from a financial standpoint, but we note with pleasure that in recent years increased contributions to a gratifying amount have been given to Iowa Wesleyan University for current expenses and endowment purposes.

The splendid business methods adopted in securing these gifts and in conducting the affairs of the school has restored confidence in a large measure and created a spirit of loyalty among the Laymen. We believe that the commercial conditions are such that a speedy and complete solution of the financial problem can be obtained, and to this end pledge our earnest support and co-operation to the Board of Trustees and to President Schell.

The annual contributions by the Iowa Conference for all purposes, namely, ministerial support, church and parsonage building and repairs, Sunday schools, benevolences, etc., reaches the princely sum of nearly \$360,000.00. Less than 2 per cent of this sum is given to the educational collection. We appeal to every pastor and official board in the conference for united and earnest effort to advance our educational collection so that the revenue to Iowa Wesleyan shall not be less than \$10,000 annually. No other interest is more worthy or important.

Resolved, that we adopt the following rules for the election of delegates:

1. Nominations shall be by informal ballot.
2. The election shall be by ballot and it shall require a majority of all the ballots cast to constitute an election.
3. Each ballot shall contain as many names as there are delegates to be elected. Any ballot which does not conform to this rule shall not be counted.
4. The president shall appoint five tellers, one from each district, who shall receive and count the ballots cast.
5. Upon the call of the president all members of the conference entitled to vote shall rise. The tellers shall proceed to collect the ballots, commencing at the front. As soon as their ballots are cast the brethren shall be seated.

No one will be allowed to vote who is not within the bar of the conference when the ballot is taken.

7. When all have voted the tellers shall retire and count the ballots, and shall report the result directly to the conference through the President. No one shall be allowed to be present when the bal-

lots are being counted except the tellers and the secretary detailed for that purpose.

8. Should the announcement of any ballot show that the election is not completed, the conference shall not adjourn until another ballot shall have been taken.

9. In event the Conference shall adjourn before the tellers report the ballot, they shall not disclose the result to any one until the report is reported to the president upon the re-assembling of the conference.

10. There shall be two reserve delegates selected in the same manner and under the same rules as the principals.

11. No teller shall be permitted to electioneer for anyone while he is doing the work of a teller.

12. The bar of the conference shall consist of the first seven rows of seats beginning with the front of the house.

The following resolution was presented and on motion unanimously adopted:

Resolved, that we heartily indorse the jubilee movemtn in our church to provide better support for our retired ministers; and we pledge our cooperation in the effort this year to complete our conference effort for \$100,000.00. We are pleased to learn of the success of Rev. Kendrick and wish him Godspeed in his work.

The report of the resolutions committee was received and on motion adopted which was as follows:

Your committee on resolutions respectfully report the following:

1. We rejoice in the growth of Methodism through the quadrennium just closing, and we hail with grateful appreciation the spirit which moves our leadership to emphasize the spiritual forces, the marshalling of which has written so notable a record of temporal achievement. We welcome the forward call which now sounds the watchword of increased membership and we pledge ourselves to faithful cooperation in the campaign to add one quarter of a million to the membership of the Methodist Episcopal Church by May 1st, 1916.

2. We rejoice in the victories which in our nation and the world are being registered by the friends of righteousness: Our homes are being fortified in the legislation which holds manhood to the same standards of virtue as measure the character of womanhood, and which in the enforcement of such statutes as the Mann act are rendering manhood and womanhood more safe.

The saloon with its related evils is doomed. In the warring world, where efficiency is the watchword, the traffic in intoxicating liquors is exposed as the enemy more dangerous than armed foes. In America, where manhood is the ultimate beneficiary of all our social, political and other activities, the saloon, the brothel and the nameless houses are being revealed as the blighting forces which send civilization backward and invite the rule of lust, passion and brute impulses.

As Methodist laymen we call for the strengthening of the federal statutes against the social evil in any form, and declare it to be our firm conviction that Federal laws should be reinforced by state legislation in all of the commonwealths of the nation as it has been in Iowa.

We remind our legislators that we expect the General Assembly of 1917 to complete the provisions for the submission of the prohibition constitutional amendment to a vote of the people and we commend the splendid achievement of the advocates of a saloonless nation in the General Assembly of 1915 in returning Iowa from her backslidings and registering the will of the people in the repeal of the Mulct Law and the enactment of the laws which insure the enforcement of the sentiment of the people of Iowa which demands the abolition of the saloon.

3. Realizing the value of liberal education and recognizing the undisputable place the Bible holds as literature, as well as a spiritual force, we express it as our deep conviction that students in our state colleges should be credited in the courses of study with their work in Bible branches.

4. We commend the gospel team movement as a providence of God in the development of the evangelism which shall fit into the needs of the Twentieth Century church.

5. Believing that lifting the boundary lines between the Iowa

and Des Moines Conferences will neither conserve the large influences of Methodism nor promote the interests of the Kingdom;

Therefore, this Lay Electoral Conference respectfully suggests to the Iowa Annual Conference the wisdom of reconsidering its action of one year ago in which it asked the General Conference for an enabling act under which the merger of the Iowa and Des Moines Conferences may be effected.

The memorials referred to us from the various conferences, we recommend that they be referred to the Lay and Ministerial delegates to the General Conference for such action as in their wisdom is deemed best.

CHRIS. HAW, Chairman,
JOHN BRADLEY,
L. E. BROWN,
A. E. DICK.

Dr. C. L. Stafford and Rev. W. H. Perdew, fraternal delegates from the Ministerial Conference, were presented and made short addresses to the convention.

Dr. W. F. Graham of the Iowa Methodist Hospital was presented to the conference and made remarks explaining their work.

Prof. O. E. Klingaman of the State University spoke to the conference in regard to community work and interests in a very pleasing and instructive manner.

A collection was taken to defray the expenses of the Lay Electoral Conference which amounted to \$13.32.

A collection was taken to buy a brace for a young lady patient at the Methodist Hospital which amounted to \$16.00.

No further business appearing, on motion the Lay Electoral Conference adjourned.

LAYMEN'S ASSOCIATION

Proceedings of the Laymen's Association held at Centerville, Iowa, September 3-4, 1915.

Appointment of committees:

Committee on Resolutions—T. A. Merrill, R. L. Dean, J. B. McCurdy, Chas. V. Smith.

J. M. Beck and Sec'y A. N. Jarvis were appointed a committee to wait upon the Bishop and ask him to address the Association at some time tomorrow.

Owing to the lateness of the hour, we adjourned to meet at 9 a. m. tomorrow.

Saturday's Session.

Session opened with singing and prayer by H. W. VanDyke, after which the program for the day was taken up.

J. M. Beck presented the following resolutions:

Realizing the tremendous value to coming Methodism of the youth of the church of today, who are ambitious enough to seek preparation for life in the higher institutions of learning, the laymen of the church desire every means conserved that the maximum of their influence and power be saved for the church.

Realizing that we look to the state schools for the training of our professional men, and that approximately 65 per cent of our young people who go to state schools, go for courses not offered in our denominational schools; and realizing that it is vastly important that these have some direct religious care and supervision;

And, whereas, it being a matter of record that in Iowa 20 per cent of the students in the State University and 31 per cent in the Iowa Agricultural college, amounting in all to 1800 students, are from Methodist homes,

Therefore, be it Resolved, that the Laymen's Association of the Iowa Conference, expresses to the Annual Conference their deep concern in this matter, and respectfully suggest that no step be taken that will endanger the continuance of the splendid work now being done under the direction of the student pastors in these institutions;

And further, be it resolved, that we pledge this work our support, seeing in this work an investment on which untold returns may be expected;

And further, be it resolved, that immediately after the passage of this resolution, a committee of three be appointed to carry this resolution to the Annual Conference and ask for its presentation before that body. Moved and seconded that the resolutions be adopted and that this committee be appointed.

Rev. Townsend, student pastor of our church at the Iowa State University, by request made some remarks on the resolution. Remarks were also made by J. S. Bellamy.

Motion unanimously adopted.

Be it Resolved by the Laymen's Association of the Iowa Conference of the Methodist Episcopal Church in its seventh annual session assembled:

2nd. That we declare ourselves in favor of some plan whereby laymen shall be given equal representation with the ministry in our annual conferences, except on questions which effect the receipt and standing of ministers in the Conference.

3rd. We note with pleasure the victories achieved against the saloon and pledge ourselves to the support of any movement looking toward a saloonless nation.
